## NEWSLETTER MARCH 2021

### WE'VE MOVED!

Every year, we're proud to help dozens of people into wonderful new homes – and in 2021 that includes us!

### A NEW NEST FOR HOUSEMARTIN MORTGAGES

In February, HouseMartin Mortgages moved into brand new offices at the BasePoint Business Centre on Jubilee Close, Weymouth, marking another major milestone on our business's journey. Just as you may need to move to make room for a growing family, to find space for a more comfortable home working setting, or to accommodate that ever-expanding hobby, we needed premises that met our developing space and use needs after one of our busiest years ever. With our new site at Jubilee Close, we're glad to say we found it!

### GETTING HERE

Our new location is perfectly situated for when you need to visit us to discuss your mortgage and finance needs. While initial contact will continue to be via phone or video call, there's nothing like coming to see us for a coffee and a chat, which hopefully won't be too far away.

Our new offices are easy to find in the centre of Weymouth, and we're just a ten minute walk from the station. We've also got good public transport links and, if you're coming by car, you can make use of the free adjacent car park.

### MAKING SPACE

Once you arrive, you'll be invited into our new main office, which you'll see is much larger than our previous site. The Covid-19 pandemic has taught us much, including how important space can be. Social distancing is much easier at Jubilee Close, ensuring we can keep both you and our staff safe in these challenging times. Meeting face-to-face is so important for the relationship between us and our customers, so we're delighted to be able to see you again in person safely.

### PRIVATE AND CONFIDENTIAL

On top of our main office space, we also have access to separate meeting rooms for more private discussions, larger meetings, or times when we need more room to look at your documentation. To make the right recommendations, we need to be fully informed about your finances, so it's vital that we make you feel comfortable and able to freely share information with us. In this way, we can weigh up your options and find the right solutions for you.

### HOME SWEET HOME

Amanda and Hannah can't wait to welcome you to our new home at BasePoint Business Centre. The beautiful coastal artwork is on the walls, the thriving pot plants are in their places, and, as always, the kettle is on. Give us a call to arrange an appointment.
